THE NEW FIREMEN ARE NOW ON JOB

Members of Reliance Company to Organize at 7 O'clock Tonight

RELIEF CO. ORGANIZED

J. W. Schneider Chosen Deputy Fire Chief In Place of Norman Roberts, Resigned.

With the reorganization of the Relief Truck Company effected yesterday morning with a charter membership of thirty-six and with reorganization of the Reliance Fire Company No. 5 scheduled to take place at 7 o'clock tonight at that company's house in North Patrick street when officers will be chosen Alexandria's fire troubles will come to an end.

The organization of the Relief Company was made at the company's house yesterday with the election of these officers:

Joseph De Silva, president; G. M. Myers, vice president; A. C Hullings second vice president; William E. Eberhardt, secretary; William H. C. Wildt, recorder; John D. Normoyle, treasurer; J. Edward Howell, captain; Charles F. G. De Moll, first lieutenant; Charles Martin, commander of hose; Edward Warfield, sr., and Frank Warfield, honorary members.

Paid employees selected by the fire committee to take the places of the paid men who quit are as follows: J. M. McCuen, chief engineer; Ernest Recker, assistant engineer.

The following paid men have been chosen for the Reliance House: Thos. Cockrell, chief engineer; Wilmer Meade, assistant engineer; Eugene Simpson, driver.

All of the paid men it was announced Saturday night at a meeting quit with the exception of Mr Cockrel.

Justus W. Schneider, captain of the Columbia Fire Company No. 4 has been appointed by the fire committee deputy fire chief to take the place of Norman Roberts, president of the Columbia Company, who resigned. Chief William Desmond will continue to act till city council elects his successor. The night duties will be taken up by Deputy Chief Schneider.

As heretofore stated candidates are grooming for the position of fire chief. The names of Edward S. Leadbeater and E. J. McDermott are already mentioned for the position and it is expected that others also will enter the arena between now and the time city council meets to elect a chief which will be May 10.

The old firemen met at midnight and they were addressed by K. W. Ogden former fire chief, a few minutes before they quit the volunteer service.

Complete plans for reorganization of the Relief Truck Company No. 1 and the Reliance Fire Company No. 5, to take the place of the volunteers who resigned at midnight Saturday night because the city council refused to repeal the speed law of twenty-five miles an hour for fire apparatus, when answering fire alarms, were mapped out Saturday night at a meeting of former volunteer firemen, held at the Hotel Rammel.

Mayor J. M. Duncan, presided. Fire Chief William Desmond, Deputy Fire Chief Norman Roberts and several members of the city council attended the gathering.

The names of thirty members were secured for the Relief Company and about twenty-five for the Reliance Company.

A roster of the new members was taken by the mayor and it was decided to hold a meeting at 10 o'clock yesterday morning at the Relief Company's house for the purpose of forming a permanent organization with the election of officers.

It was announced by Mayor Duncan and Chief Desmond that all of the paid employes of the two companies except one also had notified them they would sever their connection with the department at midnight. The man remaining is Thomas Cockrell, of Company No. 5, and he was placed in charge of that company. The fire committee and mayor at once filled the vacancies and the new men went on duty at midnight when the old men went out, as did also the volunteers.

REV. PERCY F. HALL ACCEPTS RECTORSHIP

To Assume Duties at St. Paul's Episcopal Church June 1

AT EPIPHANY CHURCH

Has Been in Washington as First Assistant Since 1914—Graduate of Columbia University.

Rev. Percy Foster Hall assistant minister of the Church of the Epiphany Washington, D. C., has accepted the call extended him by the vestry of St. Paul's P. E. Church of this city and will assume his duties as rector about June the first.

Mr. Hall was born in Leeds, England, 1863, and came to New York in 1879. He was graduated from Columbia University in 1888, and took a two-year post graduate course, securing the degree of master of arts. He studied for one year at the General Theological Seminary, New York, and was ordained a deacon by Bishop Littlejohn, in the cathedral at Garden City, L. I., in December, 1889, and as a priest in May, 1893.

He served as assistant minister of Grace Church, New York, under Dr W. R. Huntington, and was at the same time instructor in the New Testament in St. Faith's Training School for Deaconesses. He married Miss Fredericka Wentworth Parrett, of Arden, N. Y., Jan. 25, 1893, and has four children—Percy Arden Hall of New York, Capt. Frederick Parrott Hall of Newark, N. J.; Reginald Foster Hall, a student at the Theological Seminary of Virginia, and Miss Marjory Arden Hall.

He was rector of St. Timothy's Church, Catonsville, Md., from 1893 to 1912. He had charge of churches in Oakland, Md.; Cumberland, Md., and Wheeling, W. Va. He was appointed first assistant minister of the Church of the Epiphany under the late Rev. Dr. Randolph H. McKim, in October, 1914, which position he now holds.

Rev. Mr. Hall takes the place of Rev. Dr. P. P. Phillips who resigned the rectorship of St. Paul's October 10 last.

Musicale Friday

First of Season Friday Night by Citizens' Band

On the evening of Friday night at Young People's Building, the Citizens Band will give their first musicale. The proceeds of ths entertainment will be used to assist in purchasing uniforms.

This organization deserves the patronage of every citizen, as it is Alexandria's band and serves you without compensation except through voluntary contributions. Organized last May, one year ago, they invite you to their musicale at 35 cents admission. This band has greatly improved during the past year.

CHICKEN SALAD SUPPER

There will be a chicken salad supper with ham and hot rolls, ice cream and cake in Christ Church Parish Hall, Thursday, May 5th, from 5 to 7 p. m., given by the ladies of the Parish Aid Society.

It was announced by the mayor that there was no foundation for the report to the effect that the wages of the men paid would be cut. The mayor was informed at the meeting that the fire and finance committee would back him up in his statement.

The old volunteers quit the fire game at midnight and Chief Ogden quit a few days ago.

The members of the Relief Company removed their property from that company's house. The members of the Reliance Fire Company did not however, remove their property.

The paid men of the Relief Truck Company are Henry Beach, engineer; Ellis Cook, driver and Ray Evans, extra man. Raymond Catts, engiber, and Frank Ballenger are the paid men at the Reliance Company.

CLUB WOMEN MEET IN NEWPORT NEWS

Local Delegates Leave Tonight For Gathering In That City

THREE DAY SESSION

Miss Helen N. Cummings, Miss Constance Boush and Miss Esther Green From This City.

A delegation of Alexandria women will leave this evening for Newport News to attend the annual meeting of the Virginia Federation of Women's Clubs which will be held at Newport News May 3-6.

Those from this city who will attend are Miss Helen N. Cummings, director of the Federation for Virginia; Miss Constance Boush, will represent the president of the Matron Club and Miss Esther Green will be delegate. They will be joined on the boat tonight by delegates from other points in Virginia.

The meeting will open tomorrow with an address by Mrs. Thomas G. Hunter, national president of the General Federation of Women's Clubs. This will be followed by a reception. The business sessions will begin the following day.

On Wedneday and Thursday nights men of national reputation as brilliant speakers will address the convention. There is no difficulty in securing speakers as the government knows the value of an organization with more than two million members ship.

Thursday night will be club president's night when each club president will be given two minutes to present the work her club has accomplished in the past year.

This is following the custom of the National biennials when each state president steps to the footlights and is allowed two minutes in which to give a summary of the work of the preceding two years of her state.

The hospitality of Newport News is widely known and on this occasion the delegates are to be treated royally. As the business sessions will keep the women busy all day the only opportunity for functions is luncheon and dinners. Buffet supper at "Rockhaven" on Hampton Roads as guests of Mrs. Joseph T. Buxton; oyster roast at "Cedar Hall," home of Mrs. Frank Darling; automobile trip to Yorktown and buffet supper at "Merrie Oaks" home of Mrs. Walter Livezey

Making Movies

Scenes Being Taken Today of Business Activities—To Show In Two Weeks

The movies are being made here on the streets today and tomorrow and all this week. W. J. Gross and his camera man have been busy all day taking scenes on the business streets of the city. The film is the property of the Alexandria Chamber of Commerce and will be shown at the local theatres within two weeks. There are to be prizes for the prettiest girl and the homeliest man appearing in the film. The director and his assistants were busy all day today in making the scenes with others to be made tomorrow and the remainder of the week will show the entire activities of Alexandria children coming and going from the schools, your retail and wholesale dealers and other business places, in fact all the happening of the average day in the city. Any one who wants to see themselves in the movies have this opportunity now according to the Gazette's representatives interview with the director this morning. The dates for the showing of the picture here will be announced very shortly in the Gazette.

ODD FELLOWS' NOTICE

An adjourned meeting of Marley Encampment will be on Monday at 8 o'clock, for the purpose of conferring the Royal Purple Degree. All members are urged to be present.

St. Mary's Festival

Indoor Affair to Open Tonight—Will Continue Three Evenings

The big May festival of St. Mary's Academy will open this evening at 8 o'clock in the auditorium of the institution. Preparations covering a period of about two months are now complete, and the festival will in all probabilities prove to be one of the most successful affairs of this kind ever given in this city. The committee in charge of arrangements is determined that the whole affair will be "Joy Making" in its scope, rather than a purely money-making, and towards this end has provided for a free vaudeville show which will be given on each of the three evenings. Norris Roland is in charge of the theatrical end of the festival's program, assisted by the Columbian Players, and the "Country Store" is the booth that will be conducted by the St. Mary's Sunday School Teachers Association. In all about eleven different booths beautifully decorated will constitute the list of booths. The Alumni body of the institution are in charge of arrangements and are being assisted by representatives from the different lay organizations connected with St. Mary's Parish.

All friends of St. Mary's are cordially invited to help make the affair the success that it appears it will undoubtedly enjoy.

To Go Overseas

Former Episcopal High School Student to Accompany Reconstruction Unit to France

Cambridge, Mass., May 2.—Joseph M. Hartley, a former student at the Episcopal High School, Alexandria, is one of the fifteen Harvard students who have already signified their wish to accompany the American Students' Reconstruction Unit which sails from New York City for France, Thursday, June 23, on the steamship 'Paris."

The formation of this year's reconstruction unit is due primarily to the success of the Harvard unit which went to France last summer. An initial fund of $250,000 is now being raised to carry on the work. The French government has agreed to advance sixty per cent of the cost

Important Meeting

To Decide on Retaining Services of Mrs. Olive Whitmer

A meeting wil be held at 4 p. m., tomorrow, at the chamber of commerce, under the auspices of the Parent-Teachers Association, to consider the possibilities of retaining the services for this city of Mrs. Olive Jones Whitmer, Social Hygiene Bureau Agent.

Representatives of all interested organizations are invited to attend, to discuss ways and means of securing continued appropriation for her services in this city.

Piedmont Convocation

All Day Meeting to be Held Wednesday at Grace Church

An all day meeting of the Piedmont Convocation will be held at Grace Episcopal Church beginning at 10 o'clock Wednesday morning. It is expected that 150 delegates will be in attendance from various parts of Virginia. Miss Louisa Davis, of Lynchburg, Va., president of the association, will preside.

Miss Davis will be the guest during her visit here of Mrs. Edward C. Fawcett.

Contents of Can Bears Odor of Gin Police Say—Held For Grand Jury

A white man arrested by Chief Goods, Police Sergt. Campbell and Policeman Durrer was charged with violating the prohibition law in the police court today. The police introduced as evidence to cans that originally contained oil filled with a liquid of some sort which the police declared had the odor of gin. These cans were found in an automobile of the defendant it was testified. Each can holds about a gallon. One of the policemen testified that the accused stated they contained alcohol which he used for the radiator of this automobile to keep it from freezing. The accused made no statement and was held for the action of the grand jury. He gave bond for his appearance in the sum of $500.

OVERCROWDED CARS BRING COMPLAINTS

Reported Single Cars On Certain Trains Carried More Than 100

SINGLE CARS SEAT 52

On 11.15 Car Saturday Night From Washington 106 Passengers Were Registered and 107 Last Night.

Considerable complaint is made by commuters traveling on certain trains over the Washington-Virginia line regarding the overcrowding of certain single cars.

Commuters on the 11.15 o'clock train Saturday night out of Washington and on the 11.20 o'clock train Sunday night out of Washington are particularly loud in their complaints.

The register on the car that left Washington at 11.15 o'clock Saturday night showed exactly 106 persons were registered as passengers.

On the 11.20 o'clock train out of Washington last night when the conductor completed the task of collecting all of the tickets the register showed that 107 persons were passengers aboard that train.

The single cars seat approximately fifty-two passengers. On both of the foregoing trains a little more than fifty-two passengers were compelled to stand.

The people on each train were packed like sardines. Many of the young women employed at the Bureau of Engraving and Printing were among the passengers compelled to stand Saturday night after their days work and there was general complaint among the passengers aboard.

The Washington-Virginia Railway Company certainly should put on two cars for these trains as the travel more than justifies it. There is absolutely no occassion to run one car with such heavy travel.

The railway company will make more friends by providing proper accommodation than endeavoring to handle their passengers in this manner.

New Pastor Preaches

Rev. Robert Browne Occupies Pulpit at Both Service at Methodist Prostestant Church

The Rev. Robert Browne, pastor of the Methodist Protestant Church was heard yesterday in two excellent sermons, which were greatly enjoyed by the congregation.

Mr. Browne requests a large attendance at the mid-week prayer meeting and asks the co-operation of several ladies in organizing a junior choir, for the young peoples meeting. A trustees meeting will be held immediately after the prayer meeting, at which all officers and members are expected to be present.

At the Christian Endeavor the leader, Thomas Simpson, made a short address, also Norman Roberts gave a short talk.

TEN DAY GRACE FOR GERMANY

France In Meantime Will Continue Her Military Preparations

BRINGS COMPROMISE

Reparations Commission First Will Notify Berlin of Amount Due—Mobilization to go on.

London, May 2.—The French and British Premiers found common ground again last night after yesterday's threatened split and agreed to dispatch an ultimatum to Berlin.

A note is being drafted today in which the Allies notify Germany of the decisions of the Reparation Commission and advise her that the Ruhr Valley will be occupied by the French Army, supported by the British, unless the Berlin Government accedes to these decisions and yields the control of all German fiscal affairs and customs to the Allies. Complete satisfaction is demanded on these points within 10 days. Meanwhile the Premiers decided to proceed with the mobilization of the French Army.

The decisions of the Reparation commission not only fix Germany's indebtedness at 32,142,000,000 casn, but they require the fulfillment of the terms of the Treaty of Versailles covering the disarmament of Germany and the trial of war criminals.

Although the use of the word ultimatum is carefully avoided in the projected note, it will serve definite notice of the steps to be taken by the Allies unless Germany yields. The outstanding facts are that the invasion of the Ruhr Valley has been postponed for at least a week and that in that time Germany will have another opportunity to recant. The decision of whether the invasion is to be indefinitely postponed now will rest with Berlin. Unless there is complete capitulation by the Germans the occupation movement is slated to proceed.

Both British and French leaders claim the victory for their points of view in today's conference. The British see in the present policy a victory for their insistence upon a delay while the French assert that the mobilization of their army and other preparations being made for an advance into Germany, agreed to by the British, will save a week of delay.

Premier Briand decided this afternoon to proceed immediately with mobilization whatever the consequences although it became apparent late yesterday that this could be done without a rupture between the Premiers.

General Nollet, Allied commissioner in Berlin, brought word to the Premiers this afternoon that Germany's progress in carrying out the disarmament terms of the treaty was unsatisfactory, He is understood to have urged upon Premier Briand the necessity of compelling obedience.

The figures on Germany's indebtedness, apparently crushing as they do with the estimates made previously at Paris by the Allied Premiers, have surrounded the reparations problem with additional confusion. The fact that has generally been overlooked is that the Paris figures were only tentative, drawn up before the Reparation Commission's official estimate was made. The decision of that commission, made official by the terms of the treaty, fixed Germany's debt without reference to the possibility of spreading its payment out over a long period of years. To ascertain its true relationship to the Paris figures the commission's estimate must be split up into annuities and the interest added.

Big Things from Small.

A bean, just a miserable little bean, the most lowly and democratic of the vegetables, customary ingredients of the poor man's soup, despised ration of armies and navies and consumed with bitter mental reservations by all the wide world except a few perculiar folk living in and around Boston who instead use bacon, brown sugar and molasses to make it palatable! What future is there for a bean, what can possibly emerge of interest to the world out of anything so small, so insignificant and so prosaic?

One might well be tempted to answer superficially nothing but the dull, colorless nourishment it affords were it not for the fact that hundreds of thousands of people have recently flocked to see just such a little bean and have come away from seeing it astonished, edified and inspired. More than 25 years ago an unknown convict in Guatemala, afterwards executed, took a mean little Florida bean and carved upon it a head of Christ that has since come to be accepted as the smallest and the finest Christ-Head in the world. The transcendant beauty of the Christus de Profundis, so marvellously wrought out of the face of a despicable little bean, is something which must be seen to be believed and the owners of the remarkable curiosity are now placing it upon exhibition in various cities of the country.

That an unknown criminal about to be put to death should find such beauty in a thing so mean and small should make all of us who are day after day confronted with hundreds of opportunities so much larger take heart to do well the smallest thing we tackle.

Armament and Taxation.

Various proposals looking toward steps for international disarmament have been turned down in the House of Representatives as riders to the Army and Navy appropriation bills.

It becomes increasingly evident that this country under this Congress and Administration does not mean to take the lead in a movement to bring about the reduction of the unbearable burden of armament under which the whole civilized world is today groaning in bankruptcy and starvation "Ships and more ships" is to be the motto of Britain, America and Japan; "Men and more men" that of France, Italy and Russia. President Harding's remark to the Navy, "We want nothing but what is rightly and justly ours and, by the Eternal, we mean to have it," is to become the dictum of international diplomacy. All the nations mean to have what they consider is rightly and justly theirs and by the Eternal and all the guns and men they can mobilize they mean to have it.

And in the meantime we will continue to spend eighty cents out of every dollar of taxes collected for piling up a lot of military and naval paraphenalia which in the event of a real emergency will have to be discarded as obsolete rubbish.

Refusing to take part in a League of Nations or any concerted action for world peace, nothing remains for us but to arm and keep armed to the teeth. Yea, verily if we bankrupt ourselves and starve half the world in the attempt.

SWEAR OFF TOBACCO

VIRGINIAN IS KILLED IN ELEVATOR CRASH

Baltimore, May 2.—Coroner William T. Riley spent several hours yesterday interrogating persons who were guests at a party attended Saturday night and early Sunday morning by James Newton Wheatley, former naval officer, whose lifeless body was found wedged between the elevator floor and the upper door frame of the sixth floor of the Montreal apartments, 13 West Mount Royal Avenue.

Evidence indicates that Wheatley attempted to operate the elevator himself. He was a dinner guest of Mrs. Marguerite White, an old friend, who lives on the sixth floor of the building. He is said to have left the party about 3 a. m., yesterday going down the stairs. A short time after the body was found Wheatley, according to Mrs. White, was a tutor in the family of Fairfax Harrison, Belvoir, Va. He was also said to have been the author of several short stories and moving picture scenarios.

He was an officer in the United States Navy Fleet Reserve during the war, and during the Peace Conference was detailed as an aide to the naval attache to the American delegation at Versailles.

FINDS WOMEN "CUSS" MOST

New York, May 2.—New York women "cuss" more than the women of any other city in the world, Dr. Christian F. Reisner, pastor of the Chelsea Methodist Episcopal Church here declared in a sermon yesterday. This spoils and coarsens women's purity, according to Dr. Reisner.

"Swearing is the refuge of the illiterate whose vocabularies are small." Dr. Reisner said. "The man who ridiculates the party of woman soon loses the power to love one woman purely. Charles M. Schwab, J. J. Hill and Theodore Roosevelt, leaders in American history, never took God's name in vain."

AUTOS KILL 331 PEOPLE OF

New York, May 2.—Three hundred and fifty persons met death in New York State, including New York City, by automobiles in the four months ending April 30, the National Highway Protective Society announced yesterday in an appeal for more stringent laws. In the first four months of last year 258 persons were killed.

In New York City during April, sixteen persons were killed by automobiles, nine by trolleys and seven by wagons.

Ill Health Often Due to Neglect of Kidneys and Liver

Many organs take part in assimilation of food and a number are active in eliminating those portions of the food which are not taken into the blood for the upbuilding of the body. Of the eliminative organs, the liver and the kidneys are of major importance, and are most likely to be overworked and become diseased. When such is the case, various troubles of a digestive and eliminative character occur, and such trouble are so frequent and so common that it is absolutely necessary to find some relief. Warner's Safe Kidney and Liver Remedy was compounded over 40 years ago to help equalize the work of both kidneys and liver. How successful it has been is evidenced by its wide-spread sale and its value is attested by an immense number of appreciative users who through these many years have put it to the severest tests with the most satisfactory results.

Warner's Safe Kidney and Liver Remedy contains no harmful ingredients and should be used when the kidneys need attention.

ENDEAVORS OF 1921

Play To Be Presented May 5-6 by High School Seniors

Do you know what the "Endeavors of 1921" is? It is simply the efforts of the Senior Class of Alexandria High School, to give to the public something that no other senior class has given it before. The program consists of original vaudeville acts; black face comedy, musical, etc., in addition to the four act comedy "The Chaperon" which was written by Miss Asbury of the class of 21. It is sure to be a most interesting program. The seniors will "Endeavor" to please you, and as all know, when the class of '21 "Endeavor" to do any thing it arways comes across with the goods.

Every patron and friend of A. H. S. should see this start in original dramatics. You can spend a pleasant evening with us on either the 5th, 6th or 7th of May. Get your ticket before it is too late. Box office, The Music Shop, 614 King Street.

SUCCESSFUL SONG SERVICE AT ST. PAUL'S

St. Paul's Episcopal Church was filled with an appreciative congregation on last night at the special song service. The program published last Friday was carried out, and each selection was of the highest order. The solo parts were beautifully sung, the regular choir members being augmented by several singers of note.

HE NEVER FELT BETTER IN LIFE

Saunders After Taking Tanlac Eats, Sleeps and Works Better Than in Years

"Tanlac fixed me up over a year ago and made usch a good job of it. I've felt fine and dandy ever since." said R. L. Saunders, a baker in the employ of the Federal System Bakeries, His home is 20 South Spruce St., Richmond, Va.

"I tried everything I ever heard of, even took an out door job trying to get relief, but nothing did me a bit of good till I got hold of Tanlac and that suited my case exactly. My poor health started with my stomach. Nothing late agreed with me, finally I got to where even a whiff of food being cooked nauseated me. I actually hated the sight of food and had to force myself to eat enough to keep going. I got so nervous and worried I dreaded to see night come and in the mornings I felt all faged out and unfit for work.

"Tanlac sure made a big change in me. It soon had me eating better, sleeping better and working better than I had in years. I gained eleven pounds in wright, too. I never had better health in my life than I have in the past year and I'll go the limit for the medicine that did it. Tanlac is a world beater."

IN MEMORIAM

Sacred to the memory of our beloved son and brother, GEORGE G. KUHN, who entered into rest two years ago today, May 1, 1919

Every day brings back memories,
Every memory brings a tear
Deep, so deep within our hearts we cherish,
The thought of one we loved so dear.
Your death so sudden, but by God's will,
Which to us, makes it sadder still,
And the only consolation to an aching heart,
Is that we will not always remain apart.

His devoted mother, sister and brother

300 TAKEN OFF STRANDED SHIP

Portuguese Liner Grounds Off Block Island in Heavy Fog

Block Island, R. I., April 30.—Three hundred passengers last night were taken off the Portuguese steamer Mormugao, which ran aground on the west side of Block Island in a thick fog this morning while bound from Lisbon for New Bedford and New York.

Women and children first was the rule, and the minesweeper Grebe started for New Bedford with 140 of them. She was followed closely by the destroyer McCalla, with 160 other passengers.

It is planned to transfer the remaining 148 passengers today. An effort to float the vessel will be made at high tide early tomorrow afternoon.

Blood Is the Sap of Life; Keep It Pure

You grow by good blood as a tree grows by sap. Rich blood, robust man. Good sap, sturdy tree. Keep the blood healthy and wholesome; poor, impoverished blood cannot nourish the body or remove the waste as nature intended.

When your blood is impure, itching, flaming skin eruptions often break out, and your body gets run down and weak—easy prey for disease. To be safe, keep the circulation wholesome.

For this S.S.S., the famous vegetable blood remedy your druggist keeps, is excellent. Start enriching your blood with S.S.S. today, and write about your condition to Chief Medical Advisor, 838 Swift Laboratory, Atlanta, Ga.

After many years' experience in helping ambitious young men to get practical, money-earning educations in their spare hours, the United Y. M. C. A. Schools now offer courses by mail to meet the needs of those who cannot attend local classes or who wish to study subjects not taught in Y. M. C. A. evening classes.

The local Y. M. C. A. Secretary wishes to announce that Mr. N. T. MacManaway, of New York, will be in Alexandria Tuesday, May 3, both day and evening, to confer with ambitious men regarding over two hundred courses that the United Y. M. C. A. schools are offering by correspondence. As the school is not operated for profit, the cost is remarkably low. Mr. MacManaway can be seen at the Y. M. C. A. office Tuesday, or the local secretary can be consulted any time regarding these courses.

Certain-teed Reduces the Cost of the Painter's Time

THE heaviest item in the cost of painting is the labor. Certain-teed lessens this cost because the high quality materials in it are so thoroughly ground and mixed that it spreads easier and has greater hiding power.

Certain-teed also covers more surface per gallon. It requires fewer coats to properly protect. It retains its color and beauty for a longer period of time.

All of these advantages are due to the high quality of Certain-teed. Its name means, "*Certainty* of Quality—Guar*anteed* Satisfaction." It is manufactured by a concern that has long been known as the makers of high quality products.

Let us help you make your spring painting satisfactory and economical by supplying this higher quality paint. Certain-teed led in price reductions. We are now selling this paint at prewar prices.

SLEEPING CRUELTY.
GIRL JOINS MUTES

Danville, Ky., May 2.—A pitiful story of cruelty suffered by a 9 year old girl, and of her attempt to escape from the charge of her sister by posing as a deaf and dumb child, came to light here today.

An agent of the Kentucky School for the Deaf and Dumb at Danville was at Irvington, in Western Kentucky, three months ago, returning to Danville with 23 children who had been gathered in that part of the State. When the train started the agents counted the noses. The agent reported an extra girl at the school at Danville, but the mystery of the twenty-fourth child was soon forgotten.

One noon day meal, Mary grew thirsty and forgot herself. "Please, teacher, may I have some water?" Mary's words had slipped out inadvertently, but the game was up for the little girl.

She confessed that she had joined the other children to escape from her own home, in which there was no father or mother, only a cruel sister.

The county judge ordered her committed to the Kentucky children's home.

BURNED TO DEATH IN AUTO

Baltimore, May 2.—Wedged behind the steering gear of his automobile when the vehicle struck a telegraph pole here at 6 a. m., yesterday William McCrackan, well known sporting man, was burned to a crisp when the machine caught fire. Mrs. Emma Moore, 40 years old, of Baltimore, his companion, suffered a fractured skull, both legs and wrists broken and other injuries.

If Mrs. Moore, who is the wife of John Moore, lives, she will owe her life to Albert Long, driver of a truck, and Herb Bozman his helper. Their attention was attracted by the sound of an automobile horn blowing continuously.

While Bozman sounded an alarm, Long raised the burning car and extricated Mrs. Moore.

When the crash occurred the feeders of the automobile horn became short circuited, causing the siren to blow continuously.

HOLD 3 IN BIG BANK THEFT

New York, May 2.—Charged with complicity in the robbery of the Schubert and Amberg State bank of Chicago on April 21, when more than $25,000 was stolen, two men and a woman were arrested here yesterday, and are being held pending extradition.

The prisoners, Arthur Bernstein, 25; Pauline Bernstein, 28, his wife, and Joseph Kelley, 25, are all from Chicago. The telegram from Chicago which led to their arrest warned the local police that "these men are armed. Be careful, as they are desperate."

With drawn revolvers, the police surprised the trio in their apartment, where were found $2,500 and two revolvers. Two other persons, also implicated have been arrested in Chicago, the police declared.

"OLD POP WARD" IS DEAD

New York, May 2.—Frank T. Ward, known on the stage for a generation as 'Old Pop Ward," a member of the vaudeville team of Ward and Curran, died here late on Saturday of paralysis. He was 72 years old.

Ward began his career 50 years ago as an acrobatic clown. He later played with several minstrel shows, supported Lottie Gilson, Anna Held and other well known stars, and for many years has been in vaudeville. He fell ill last Wednesday night after a performance in Brooklyn.

A widow and a 12 year old daughter survive him.

GEESE EDUCATED TO FISH FOR MAN

Natchez, Miss., May 2.—J. T. Kerr, a prominent planter of Concordia Parish, La., has a pair of trained wild geese fully equal in intelligence to the famous hunting dogs of Col. Tucker Gibson, the noted big game hunter of Natchez.

Kerr has just taught the geese to fish. He declares that, as they already know how to swim and dive, it was only necessary to impress on them to catch the fish and bring them to the boat which he rows along side.

His greatest trouble, Mr. Kerr said, was teaching the geese to discriminate in the kind of fish. He only wanted perch, bass or trout. He declares that this difficulty has been overcome, and that he is prepared to give demonstrations any time.

Look over the Classified Column

Thousands of Weak Nervous People Have Been "Fooled"

They Took the Wrong Kind of Iron.
Are YOU One of Them? How to Tell.

I was talking to a young lady who was very nervous, irritable and rundown—she also suffered from shortness of breath, heart palpitation and indigestion—her doctor told her she was anaemic—suffering from IRON STARVATION OF THE BLOOD and advised her to take iron.

She told me she tried NUXATED IRON and had not received much benefit—I said ARE YOU SURE it was NUXATED IRON.—She said yes, that it was a small, smooth coated black tablet—I said YOU ARE WRONG—Nuxated Iron is a brown encoated tablet with the letters N. I. stamped on every tablet—therefore you didn't take Nuxated Iron.

I said Nuxated Iron contains ORGANIC IRON like the iron in YOUR BLOOD and like the iron in spinach, lentils and apples, which is an entirely different thing from metallic iron which people usually take and which is made merely from the action of strong acids on small pieces of iron. Nuxated iron is so prepared that it will not injure the teeth nor disturb the stomach—you can even eat it if you wish.

NUXATED IRON also contains a product which represents the principal chemical constituent of active living nerve force for FEEDING THE NERVES, so that it might be said to be both a BLOOD and a NERVE FOOD. This remarkable nerve force product was brought to the attention of the French Academy of Medicine by the celebrated Dr. Robin. It not only helps revitalize wornout exhausted nerves, but it undoubtedly increases the efficiency of the iron itself.

Nuxated Iron also contains powdered nux, an extremely valuable product for toning up the stomach and stimulating digestion, thereby increasing metabolism—the power of the human body to transform food into blood, living cells and tissues.—Without this power nothing you eat does you any good—you do not get the full strength out of it.

The Courts of Justice have done what they could on cases brought before them to protect the public from fraudulent imitations of Nuxated Iron—One Nuxated Iron imitator was ordered to pay $1,000.00 damages by a United States Court and forever to cease using the words "Nux and Iron" to deceive the public.—Another was caught in Tennessee and given a heavy fine for violation of the criminal law—But the rascals are not all caught yet, so beware of substitutes. Remember that nobody ever makes imitations or substitutes for "fake" diamonds—It's only the things of real value that are afflicted with imitations.

Iron is absolutely necessary to the health and existence of every man, woman, animal and plant on earth. Without iron in the soil the farmer could raise no green fields of wheat to furnish you food; no cherry blossoms would brighten the spring; no golden apples would hang in the orchards, no strawberries of luscious red would ever pass your lips—even the earth itself would have a grayish slimy look as if prophetic of its end.

When, as a result of iron starvation you get up feeling tired in the morning, when you find yourself nervous, irritable and easily upset; when you can no longer do your day's work without being all fagged out at night; or have pains across the back and your face looks pale and drawn, do not wait until you go all to pieces and collapse in a state of nervous prostration or until in your weakened condition you contract some serious disease, but take NUXATED IRON at once to help enrich your blood and revitalize your wornout, exhausted nerves. Organic Nuxated Iron often increases the bodily and mental vigor of weak, tired, wornout, nervous people in two weeks' time.

Beware of substitutes. Always look for the word "Nuxated" on every package and the letters N. I. on every tablet. Your money will be refunded by the manufacturers if you do not obtain perfectly satisfactory results. At all druggists.

NUXATED IRON ENRICHES THE BLOOD-GIVES YOU NEW STRENGTH AND ENERGY

Co-Eds Maul Male Masquerader Who Peeps at Athletic Antics

Lawrence, Kan., May 2.—What the militant hand of an enraged co-ed can do was demonstrated last night to a male student of the University of Kansas, who invaded the sacred realms of feminine secrecy at the annual circus of the women's athletic association, held in Robinson gymnasium.
While the entire audience of 800—supposedly of women only—was in a wild uproar at the queer antics being performed by a group of "wild and woolly" hula dancers, one of a party of girl detectives espied a spectator in the gallery of the gymnasium. There was nothing about the dress of the scrutinized person to arouse the least bit of suspicion, and even the facial makeup had been put on in masterly and artistic style. Yet to the "hawkeye" examination of the student detective, the wide, open mouth and piercing eyes of the full-satisfied spectator were not entirely natural.
A close view of the suspected one was decided upon and the sleuth approached nefselessly.
It was then that the keen practiced eye of the university co-ed, thoroughly trained in all things cosmetic, artificial and superficial, espied the thoroughly happy person as being one of the species known as mere man. Simultaneously the entire police force, soon augmented by a large "volunteer" squad, pounced upon the defenseless spectator. His wig was torn from his head and before the entire audience he was forced to undergo the ordeal of disrobing. Fortunately, he had also attired himself in his "bona fide" man's clothes. After standing on exhibition for a period, the managers of the circus felt that the mauling he had received at first, in addition to the mirth he had produced for his audience, was sufficient punishment and allowed him to go.

"ALL FELLOWS HAVE STILLS" HARVARD PROFESSOR SAYS

Boston, Mass., May 2.—Elite circles in the Back Bay have been invaded by prohibition officers in their war upon moonshiners, and as a result, Louis Agassiz Shaw, scion of a socially prominent family, appeared before United States Commissioner Hayes today and was held in $500 bail following arraignment. One of the finest stills that the prohibition era has brought to light was discovered in his home, according to the officers, who descended upon the mansion with a search warrant.
The disclosure of the raid, through the Federal court proceedings yesterday, may shock the city's exclusive realm in which the alleged moonshiner moved, but one of the calm and unperturbed utterances attributed to him by the raiding officers may prove even more of a shock.
Moonshining, according to this quoted statement, is quite a general practic in Boston society.
"All the fellows have stills, he told the officers, according to their assertion.

LLOYD GEORGE PLANS VISIT TO AMERICA, VOOMAN SAYS

New York, May 2.—David Lloyd George, premier of Great Britain, will visit the United States some time this year, probably in late summer, if conditions permit, said Mrs Lloyd Jenkins, of Asbury Park, N. J. who arrived today on the Lapland.
She added that the premier told her it was the dream of his life to come to America.

"Suicide By Inches"

Thousands of people commit suicide by inches!
If you took minute daily doses of some poisonous drug, no particular effect might be noticed until accumulation of the poison made its action evident.
Yet how many realize that poisonous substances are formed constantly during digestion and the preparation of the food waste for elimination.
If the bowels act regularly and thoroughly these poisons are eliminated. But if constipation exists, there results stagnation of intestinal waste, germs multiply, and poisons are formed and carried by the blood to every cell of the body.
The victim of self poisoning commits suicide by inches. Pills, castor oil, laxative waters and salts only force and irritate the bowels, and make constipation a habit.
Nujol works on an entirely new principle.
Instead of forcing or irritating the system, *it simply softens the food waste.* This enables the many tiny muscles in the walls of the intestines, contracting and expanding in their normal way, to squeeze the food waste along so that it passes naturally out of the system.
Nujol thus prevents constipation because it helps Nature maintain easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.
Nujol is absolutely harmless and pleasant to take. Try it.
Nujol is sold by all druggists in sealed bottles only, bearing Nujol Trade Mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet "Thirty Feet of Danger".

ENLARGING BRUNER HOME AS RESULT OF 1921 APPEAL

More than four hundred girls from Virginia, the Carolinas, Georgia, and Florida, have been given a chance to "Go and Sin no More," at the Salvation Army Maternity Home in Greenville, S. C., since it was established twelve years ago in a small frame building, in addition to the scores from Virginia who have been cared for at the Army's homes and hospitals at Roanoke and Washington, D. C. it was announced yesterday at the State Headquarters of the Army's Community Advisory Board organized here. The statement was made in connection with the announcement of the gift of a tract of land near Greenville by W. W. Burgess, a local manufacturer, who gave it to the Army as a memorial to his son, who died recently.

The Army's maternity hospital and colony for children will be operated together at Greenville, as in the past, and the new acquisition will serve a double purpose. A colony for children, with schools, a church, modern homes and other necessary buildings will be built upon this tract, which is of 105 acres, including a 35 acre peach orchard; and orphans, hospital waifs and street children from the cities will be sent there to gain education and better starts in life. The land overlooks the Blue Ridge mountains on an elevation that commands a sweeping view of Greenville and the surrounding country The Army recently moved the hospital into its 3 story brick and concrete structure at Greenville, which cost $275,000. Half of this amount was subscribed by the Greenville mill owners, while the public in the Southern Division, which comprises the states of North Carolina, Georgia and Florida, contributed the remainder, according to Mr. Voorhis. The new home has a capacity for 120 patients and from present indications hundreds of girls will be sent out this year with a chance to again enter society respected.

The home is in charge of Captain A. G. Graves, who served with the Salvation Army in France during the war. Children who are eligible for church orphanages are not admitted to the Bruner Home but it is the "Half-orphans and those even less fortunate which other organizations do not care for that the Army supports." The home was named for Miss Belle Bruner, who gave the first $500.000 with which to open it. It is now so overtaxed that plans are on foot to more than double its capacity so that all of the unfortunate children in Virginia and the Southern Division may be cared for. Children are taught to work as well as play at the Bruner Home. A number of large swings, tobaggans, and other playground equipment fill up the large grove which surrounds the home, and when their little chores are attended to, "Daddy" Graves sees to it that they thoroughly enjoy themselves.

ESSAY CONTEST FOR SCHOOL CHILDREN ON GOOD ROADS

Richmond, May 2.—State Highway Commissioner today announced the receipt of a letter from Thomas H. MacDonald, chief of the United States Bureau of Public Roads, advising him of an essay contest to be held in the high schools throughout the country on the subject: "Good Roads and Highway Transport. The prize is a University scholarship, offered by H. S. Firestone, of Akron, Ohia, at the request of the Highway Transport Education Committee of the Department of Agriculture. The contest will be open until June 15, or the closing of the high schools in each locality.

Essays from each state will be judged by a committee to be named by the State superintendent of public instruction. The best essays in each State will be forwarded to Washington and the national winner decided by a committee to be appointed by United States Commissioner of Education Claxton.

Commissioner Coleman has brought the contest to the attention of Harris Hart, State Superintendent of Public Instruction, impressing upon him the importance of a better understanding of highway problems in Virginia. The Commissioner said he believed a great deal of good could be accomplished in this way by bringing the problems of road construction and highway transport to the attention of young people and their parents and interesting their intelligent interest in the work being done to improve highways of the State.

Commissioner Claxton has requested the co operation of State and city school superintendents throughout the nation, and it is hoped that the essay will be introduced as a part of the regular school course wherever possible.

Counsel Hears From Haywood

Chicago, May 2.—The first word from "Big Bill" Haywood, Industrial Worker of the World leader now in Russia, reached Otto Christensen, his attorney, today. A wireless message dated April 25, from Christensen said that Haywood had arrived in Moscow and was attending a conference of trade industrial unions, and the Third International.

The message added that Haywood would return to the United States after the conference and it was expected [illegible] would immediately give himself up to serve his term at Leavenworth for violation of the espionage law.

Further word was expected from Haywood, Mr. Christensen said. He expressed doubt that Haywood had received word of the Supreme Court ruling refusing to review the cases of members of the I. W. W. convicted of hindering war time activities.

GIRL INFORMER UNCOVERS 'BIGGEST' BURGLARY RING

Dallas, Texas, May 2.—Revelations made by a girl informer have led to the uncovering of the biggest burglary ring in the South, according to the police.

Five alleged members of the ring, including Johnny Burke, said to be its leader, were jailed and jewelry valued at thousands of dollars was recovered. Twenty-five burglaries in Southwestern cities are said to have been confessed.

Our Strawberries Grow in the Sunny South—

IN THE Southern States that have long been famous for fertile soil and wonderful fruit, grow the strawberries which flavor "The Velvet Kind" Ice Cream.

Picked fresh in season, these berries are "cold packed" and, thus frozen, shipped to our factories where they are held at frigid temperature, retaining all their deliciousness for flavoring your "Velvet Kind" Ice Cream.

We do NOT use gelatin, gums, starch, fillers, imitation flavors or foreign substitutes for cream—

But *We DO use pure cream, pure milk, pure cane sugar and genuine flavors in "The Velvet Kind" of our creation.*

By our own formula and method of production (Patents applied for to protect our process) reinforced by our high standard of ingredients, we are allowed the privilege of serving you the most nutritious pure Ice Cream ever made.

Phone your dealer today for an order of the cream that exceeds in goodness and charm even the good old-fashioned kind your Mother made—

The New "Cream of Ice Creams"
